XXL i-Jack EX 63

Mobile headphone-cable extension, 6.3 mm audio jack to 6.3 mm audio jack bush

This headphone extension with 6.3 mm full-metal jack plugs and 24-carat gold-plated contacts achieves highest signal stability and perfectly reliable connections. The round cable geometry encases the inner conductor, which has been made from highly pure copper (HPOCC), and, with the also shielded full-metal plugs, is responsible for perfectly stable signals. The cable´s outer layer has been encased in a special braided leather – noble while still tough.
